- Gods Of Music -“...I have to say, there has to be a lot of interest and captivation in the music, along with decent quality if I am going to step out of my bounds to review it. My hat is off to Brian O'Neal, and I'm sure yours will be too after hearing what he has to offer.”
- Arlene “Angel” James – DJ WFLM FM 104.7 (Florida) -“...Brian's music is comparable to Bob James, Joe Sample and the rest. It's hard to pick just one song to feature on a continuous basis.”
